

# Fashion Show at Demo Day

## Message From Nancy Frazer on Fashion Show Entries

This year's Demo Day Event is scheduled for March 31<sup>st</sup>. As part of this annual program, our Chapter is planning its Fourth Annual Fashion Show. Aimee Groshans is coordinating these activities again this year and needs your help.

Models are needed to make the show a success; please volunteer to show a garment you made during the year. If you would like to submit a garment but not model it personally, another model can be selected to wear it on stage.

**We need to know how many want to participate by March 10!**

**Please review the entry criteria and send your information to Aimee.**
